CUSTOM WEBSITE VS TEMPLATES
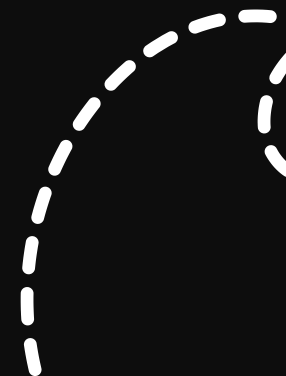

01

FULL DESIGN FLEXIBILITY

🎨 Custom Web Development = Unlimited Creativity

✓ Every element is tailored to your brand

✓ Unique layout, animations & features

🚫 No limitations like in pre-made templates

02

BETTER PERFORMANCE & SPEED

⚡ Custom websites are lighter & faster

✓ No unnecessary code

✓ Optimized only for what you need

📈 Faster = Better SEO + More Conversions

03

ENHANCED SECURITY

🔓 Custom code = fewer vulnerabilities
✓ Avoid widely known template loopholes
✓ Build with secure coding practices
✅ Peace of mind for your users

04

SEO & SCALABILITY ADVANTAGE

✓ Clean code structure

✓ Easily scalable as your business grows

🚀 Future-proof foundation

📊 Custom sites are optimized for performance & search engines

05

REFLECTS YOUR BRAND IDENTITY

💼 Templates can feel generic...

✅ A custom site tells your unique story

✓ Personalized user experience

✓ Builds trust & recognition

06

CALL TO ACTION

💡 Want a website that works for your brand — not against it?
